

# VANTIX™

[RussellByRheem.com/Vantix](http://RussellByRheem.com/Vantix)

## The Dependable Comfort Solution

Come home to reliable comfort and value with the Russell® by Rheem Vantix™ Line of 80% AFUE Gas Furnaces. The efficient and durable line ensures peace of mind through steady performance and savings.

# Come Home to Comfort

## PEACE-OF-MIND PERFORMANCE

Relax, you're covered by one of the best warranties in the industry<sup>1</sup>—up to 10 Year Limited Parts + Limited Lifetime Heat Exchanger<sup>2</sup>.

## ENVIRONMENTALLY FRIENDLIER

The ultra low-NOx operation of the S801\*\*\*\*U model helps you lower your carbon footprint by minimizing greenhouse gases.

## QUIET OPERATION

Sound levels range from quieter to quiet with insulated cabinets and truly variable speed airflow technology<sup>3</sup>—giving you one of the quietest furnace lines available<sup>4</sup>.

## Simplified Install & Service with Bluetooth Technology

Built-in Bluetooth<sup>®</sup> connectivity<sup>7</sup> makes it faster and easier for your contractor to install and service your new system. This can help lower your costs and help make your home comfortable again—fast.

## EFFICIENT COMFORT

Two-stage<sup>5</sup> (medium, low) or single-stage (low) heating operation<sup>6</sup>, along with variable speed motor technology, ensures a steady stream of just-right heated airflow to maintain your comfort level preference while providing superior humidity control.
